*In memory of our 11 brothers and sisters,
let's put up 1100 New Mezuzos on Long Island.*

Did You Know A Kosher Mezuzah...

- *Is not the outer container?*
- *Is a hand-written scroll on parchment?*
- *Helps secure the health and wellbeing of you and your family wherever they may be?*
- *If even one letter is cracked or faded the Mezuzah is not kosher? Has yours been checked recently?*

Already have a Mezuzah on your front door? Add one to another door in your home.
